SUMMER

A STUDY OF SELF PORTRAITURE

OCTOBER 2021 [OnlyFans.com/heylaurensommer](https://www.OnlyFans.com/heylaurensommer)

A LETTER FROM THE EDITOR

IT'S October. The weather is cooling off, the leaves are changing, and everything tastes like pumpkin spice. Not mad at it.

I've been spending a lot of time on my own this month. Laying on the couch with the doors open, listening to the sound of the waves. I've been lonely, but a good lonely. I've forced myself to dive *into* myself, dive into my emotions and my own creativity. I wanted to challenge myself to do this issue completely on my own. I consider myself an extremely creative person, so to come up with a new project was really exciting for me.

I'VE FORCED MYSELF TO DIVE INTO MYSELF, DIVE INTO MY EMOTIONS AND MY OWN CREATIVITY.

My inspiration behind this issue, whether perfectly executed or not, was the intimate moments people have with themselves. Whether alone or with a partner. The sexuality, the loneliness, the happiness, the raw emotion. What better was to portray intimacy than selfies and self portraits? I sincerely hope you love and appreciate this issue for what it is. Sexy, and raw. All my love,

Lauren S.

WHAT MASK WILL YOU PUT ON FOR THE WORLD TODAY?

A black and white photograph of a woman wearing a black bunny mask with large ears. She is looking upwards and to the side. She is wearing long black gloves and a dark corset. Her hands are placed on her chest. The background shows a window with a view of a hillside and some buildings. The lighting is soft, and the overall mood is sensual.

A photograph of a person covered in a white sheet, standing on a modern staircase with glass railings. The scene is set indoors with large windows in the background showing a view of trees and a building. The lighting is bright, creating strong shadows on the stairs.
